This is to certify that **Angad Singh Saluja**, completed his 6 weeks Internship at Ripple Healthcare. I had the pleasure of working with Angad as his mentor.

During his time at Ripple, Angad demonstrated a strong understanding of Marketing principles and processes. He was able to quickly grasp complex concepts and apply them to his work. He was also a quick learner, always eager to take on new challenges.

One of Angad's strengths is his ability to think creatively. He is always coming up with new ideas and is not afraid to take risks. He is also a very detail-oriented individual, and he always takes the time to make sure that his work is of the highest quality.

In addition to his technical skills, Angad is also a great team player. He is always willing to help out his colleagues, and he is always willing to listen to feedback. He is also a great communicator, and he is able to clearly articulate his ideas to both technical and non-technical audiences.

I have no doubt that Angad would be a successful marketer in no time.
