## Report on "Arogya Camp"

Event Category	: NSS
Topic	: Arogya Camp (International Day of Families)
Date	: 26 May 2025
Faculty Coordinator	: Dr. Preeti Singh, Mr. Kartik Dayal & Ms. Arti Vaish
No. of Student Volunteers	: 08

### Objective:

The aim was to provide accessible healthcare services and raise awareness about general and oral health among the underprivileged residents of Harola, Noida. Through free medical and dental check-ups, distribution of medicines, and community interaction, the initiative sought to improve basic health outcomes and instill a spirit of empathy, service, and responsibility among NSS volunteers.

### Report:

Prayaas, the NSS Club of JIMS Kalkaji, organized "Arogya Camp", a free medical and dental health initiative at Gemini Public School, Harola, Sector 5, Noida (near GCS Public School) celebrating the occasion of International Day of Families. The camp was organized in collaboration with CII Yi Yuva JIMS Kalkaji, Serve Welfare NGO, Lalmani Foundation, and Riya Foundation, with medical support provided by a team of doctors from ITS Dental College, Greater Noida. The objective of the camp was to address the basic healthcare needs of the local community, many of whom have limited access to professional medical services. The medical team conducted thorough health and dental check-ups for approximately 150 individuals, providing them with prescriptions, free essential medicines, and personalized advice for maintaining better health. To ensure participants' well-being and promote healthy dietary practices, fresh fruits were distributed after the check-ups. Volunteers from Team Prayaas actively managed registration desks, coordinated patient flow, and supported the doctors during consultations, ensuring a smooth and effective execution of the camp.

### Learning Outcome:

- Volunteers gained hands-on experience in organizing and managing a community health initiative, improving their leadership, coordination, and problem-solving skills.

**Date** : 26 March 2025  
**Faculty Coordinator** : Dr. Preeti Singh, Mr. Kartik Dayal & Ms. Arti Vaish  
**No. of Student Volunteers** : 13

**Objective:**

The aim was to create awareness and encourage open dialogue on gender sensitization, PCOD/PCOS, and mental health among teenagers. By providing valuable insights from experts, the seminar aimed to break stereotypes, promote inclusivity, educate participants about health issues like PCOD/PCOS, and emphasize the importance of mental well-being, self-care, and seeking support when needed.

**Report:**

**Prayaas-** The NSS Club of JIMS Kalkaji, had organized a seminar titled "*Echoes of Her*" to raise awareness about gender sensitization, PCOD/PCOS, and mental health challenges at JIMS Kalkaji. The session was led by Dr. Divya Wadhawan Narang, an Obstetrics and Gynaecology consultant, who spoke about breaking stereotypes, fostering inclusivity, and understanding PCOD/PCOS through early diagnosis and lifestyle management. Mental health topics like anxiety and stress were also discussed, with a focus on the importance of self-care and seeking help when needed. The seminar provided a safe, open space for participants to share their thoughts, ask questions, and learn from each other. Overall, the event successfully created a supportive environment, promoting awareness and encouraging a deeper understanding of health, mental well-being, and gender sensitivity.

**Learning Outcome:**

- The seminar enhanced participants understanding of gender sensitivity, encouraging them to challenge stereotypes and embrace inclusivity in their daily lives.
- Discussions on mental health deepened awareness of stress, anxiety, and self-care, motivating participants to prioritize their well-being and support others facing similar challenges.

## ASSESSMENT REPORT

### Advanced Excel

#### Course details and structure

Course Instructor/ Resource Person	Dr. Ruchi Singhal			
Course	Class	No. of enrolled students	Duration	Date
Advanced Excel	BBA shift I	51	30Hours	8 <sup>th</sup> Jan 2025–9 <sup>th</sup> May 2025
	BBA shift II	44		

#### Course Objectives:

1. Basic Understanding: Provide a foundational understanding of Excel's interface, terminology, and basic functions.
2. Data Entry and Formatting: Teach techniques for entering data efficiently and formatting it effectively for clarity and professionalism.
3. Formulas and Functions: Introduce commonly used formulas and functions (e.g., SUM, AVERAGE, IF, VLOOKUP) and how to use them to perform calculations and analysis.
4. Data Analysis: Explore tools and features for analyzing data, including sorting, filtering, and creating pivot tables.
5. Charts and Graphs: Learn how to create visually appealing charts and graphs to represent data effectively.
6. Data Validation and Protection: Understand how to validate data entry and protect worksheets to prevent unwanted changes.
7. Advanced Functions and Features: Cover more complex functions and features such as macros, advanced charting, and data visualization tools.
8. Collaboration and Sharing :Teach methods for sharing and collaborating on Excel work books with others, including version control and commenting.

9. Efficiency and Productivity: Provide tips and techniques for working more efficiently in Excel, including keyboard shortcuts and best practices.

10. Real-World Applications: Apply Excel skills to practical scenarios relevant to different industries and job roles.

These objectives collectively aim to equip learners with the skills needed to navigate Excel proficiently, from basic data entry to advanced analysis and reporting.

### Course Outcomes:

The course outcomes of an MS Excel course typically reflect the specific knowledge and skills that participants are expected to gain by the end of the training. These outcomes align with the course objectives and focus on practical application.

1. Proficient Navigation: Navigate and utilize Excel's interface efficiently, including ribbon commands, shortcuts, and workbook management.
2. Data Entry and Formatting: Enter and format data effectively, including applying cell styles, conditional formatting, and custom number formats.
3. Formulas and Functions Mastery: Demonstrate proficiency in using a variety of formulas and functions for calculations, data manipulation, and logical operations.
4. Data Analysis and Visualization: Analyze data using sorting, filtering, and pivot tables; create compelling charts and graphs to visually represent data insights.
5. Problem Solving with Excel: Apply Excel tools and functions to solve real-world business problems and scenarios.
6. Data Validation and Protection: Implement data validation rules and worksheet protection to ensure data integrity and prevent unauthorized changes.
7. Advanced Features: Utilize advanced features such as macros, lookup functions, nested formulas, and array formulas to streamline tasks and automate processes.
8. Collaboration and Sharing: Share and collaborate on workbooks effectively, including version control, sharing permissions, and commenting.
9. Workflow Efficiency: Improve workflow efficiency by applying best practices, keyboard shortcuts, and Excel tips and tricks.

10. Practical Application: Apply Excel skills to create reports, analyze data, and make informed business decisions.
