

APPRECIATION LETTER

We would like to convey our heartiest thanks to Dr. Preeti Singh, Assistant Professor, JIMS, Kalkaji for spending time and adding spark to the lives of the kids at GoodWorks centre. Celebrating Holi with these blooming buds of the deprived garden is really commendable.

Celebration with such a noble intention of strengthening bond with people outside one's own community is the Celebration in true sense.

GoodWorks Trust thanks you once again for your kind gesture and sparing your valuable time to bring smile on faces of these children who have been forgotten by the society.

We really had a great time.

Regards

GoodWorks Trust
