Respected Ma'am,

Greeting from Salaam Baalak Trust!

Salaam Baalak Trust has completed thirty three years of service to street children in Delhi. From 3 staff and 25 children on a balcony of the Ground Reserve Police at the New Delhi Railway station in 1988, we have now grown to over 300 staff, providing support services to 9000 children in a year, through its 7 full-time residential Child Care Institute and 09 contact points with 3 CHIDLINEs where children get food, shelter, education, medical services, counseling, sports & entertainment and above all a safe and secure place for their holistic development.

On the behalf of Salaam Baalak Trust we would like to thank you for your honorable **Rashan/lunch** support to us and our children. We appreciate to your support you have done and look forward for such support in future as well.

Warm Regards
