Firstly, I would like to thank you for collaborating with Little Seeds NGO.

We are writing to express our deepest thanks for collaborating with us on the occasion of World Earth Day to plant more than 20 saplings and 120 seeds. We are grateful for your initiative which will help to protect and preserve our Mother Earth. With the generosity of people such as yourself, we are able to give back to our planet and fight global climate crisis in whatever capacity we can.

On behalf of our NGO, we thank you for your kind support for continuously working on issues such as these and making this society a better place to live.
