JIMSVK I: IP Awareness and Patent Filing Workshop

The Institution's Innovation Council (IIC) & IPR Cell, in collaboration with the Department of Information Technology and IQAC, organized a workshop on IP Awareness and Patent Filing. The workshop was conducted by Ms. S Kiran, Manager- Intellectual Property, Foundation for Innovation and Technology Transfer (FITT), IIT Delhi on 20th January 2026. The workshop provided participants with a comprehensive understanding of intellectual property fundamentals and practical guidance on safeguarding innovations. Ms. Kiran shared effective strategies for navigating the patent ecosystem through real-world examples and interactive

OUR WORLD

From Chairman's Desk

Dear Student,
The most colorful and joyous festival in India is Holi. It is considered as one of the most revered and celebrated festivals and is celebrated in almost every part of the country. On this day, people get-together and forget all resentments and all types of bad feelings towards each other. This festival, in different parts of the country, is known with different names. The vibrancy of the colors brings a lot of positivity in our lives and being the festival of colors is actually a day worth rejoicing. The ritual starts by lighting up the bonfire one day before the day of Holi and this process symbolizes the triumph of good over bad. People play with colors with their friends and families. This festival of colors also brings a tinge of happiness among people. Holi is a wonderful festival teaching us life lessons in today's multi-cultural environment. We must celebrate Holi in an environmentally healthy way by using organic colors. It is important to understand that If someone doesn't like to celebrate Holi, we should not put color on them. The best part about Holi is that most people play with equal enthusiasm. In this festival even the strangers are greeted like a friend and get colored just as if people already knew them. I hope all of you had a wonderful & colorful Holi.

Dr. Amit Gupta (Chairman)

JIMS Greater Noida: Republic Day Flag Hoisting Ceremony

A flag hoisting ceremony was organized by the department of CSE as a part of NSS on 23rd January, 2026 to celebrate the Republic Day. The event was presided over by Director, Prof. (Dr.) Sachin Yadav. The event witnessed active participation from faculty members, students, and staff, making it a memorable occasion for all. The event fostered a sense of patriotism, unity, and national pride among students, faculty, and staff, while commemorating the significance of the occasion and honoring the values and sacrifices that define our nation.

Students during flag hoisting ceremony

JIMS Greater Noida: Mock GATE Exam

The Department of Computer Science and Engineering conducted a mock GATE Test on 20th January 2026 for B.Tech 3rd year students to strength their conceptual understanding and enhancing their preparedness for competitive examinations and placement interviews. The test was designed to familiarize students with the pattern, difficulty level, and time management strategies required for the Graduate Aptitude Test in Engineering (GATE). The mock test enabled students to develop strong conceptual knowledge, analytical thinking, and problem-solving abilities.

discussions, enabling students to build confidence in protecting their ideas.

Ms. Kiran with faculty members and students

JIMS VKI: IBM Certification Training Workshop

The Department of Information Technology organized a workshop on the IBM Certification Training Program on 23rd January 2026 for IInd semester students. The session was conducted by Mr. Lakhwinder, Data Science Consultant at CETPA Infotech. He highlighted the importance of industry-recognized certifications in enhancing students' technical competencies and improving their employability prospects. The workshop aimed to create awareness about IBM certification programs, their significance in the IT industry, and the career opportunities available in Data Science and emerging technologies.

Mr. Lakhwinder addressing the students

JIMS VKI: YUVA SHAKTI 2026

On the occasion of National Youth Day, the Institution's Innovation Council (IIC) organized YUVA SHAKTI: For a Clean Nation on 29th January 2026. The event provided a platform for young minds to showcase their creativity and problem-solving skills. The students from various disciplines presented ideas through presentations, working models, and prototypes, reflecting strong awareness of ecological challenges and a commitment to a cleaner, sustainable future.

Ms. Ayushi Arya being felicitated

JIMS Greater Noida: Industry Visit to DUCAT

The Department of Computer Science & Engineering organized an industry visit to DUCAT on 22nd January, 2026 for B.Tech students to provide them with a practical exposure of emerging technologies, particularly Agentic AI. During the visit, the students were provided with practical demonstrations to illustrate the usage of Agentic AI in applications such as intelligent chatbots, autonomous systems, workflow automation, and adaptive decision-support systems. The session was followed with an interactive Q&A round during which the students actively engaged with experts, clarifying their doubts related to AI careers, required skill sets, and future opportunities in the AI domain.

Dr. Verma with students during an activity.

JIMS VK I: Alumni Lecture on Smart Screen Time and Financial Literacy

The Placement Cell organized an alumni guest lecture titled “Adulting 101 – Screen Time That Pays” on 22nd January 2026, delivered by Ms. Kshagun Mudgal, Co-Founder of Big Beautiful Buys and JIMS alumna (2018–2021), accompanied by Mr. Rohan Rawat. The session highlighted the importance of using screen time productively by turning digital engagement into learning and earning opportunities. Through practical market insights and discussions on financial literacy, the speakers encouraged students to make informed decisions and adopt a proactive approach toward personal and professional growth.

Students during industry visit

JIMS Greater Noida: Industry Visit to Sofcon India Pvt. Ltd.

An industry visit to Sofcon India Pvt. Ltd was organized on 28th January 2026 for the students of Computer Science & Engineering Department. During the visit, the students were briefed on Electric Vehicle (EV) technologies along with focusing on government initiatives, and the increasing demand for sustainable transportation. The students were also provided with a practical exposure through a laboratory session, where real-time EV systems were demonstrated, thereby bridging the gap between theoretical concepts and industrial applications. The students were also provided with the insights into industry trends, future challenges, and career opportunities in EV sector

The speakers sharing insights with students.

JIMS VK I: Industry Visit to HAJER

An industry visit to the Haier Manufacturing Facility was conducted on 22nd & 23rd January 2026, giving students valuable first-hand exposure to the end-to-end

On 20th January 2026, CII Yi YUVA hosted YUVA Unplugged– Episode 6 of Season 2, featuring Mr. Anshul Garg Mohan, Managing Director of the Mohan Group of Companies. The session was hosted by Kunal Khurana and revolved around the theme “From Factory Floor to Global Leadership- The Mindset of a Growth Champion.” The discussion focused on leadership, innovation, and sustainable growth in the manufacturing and engineering sectors, offering valuable insights on strategic vision, operational excellence, and social responsibility for aspiring young leaders.

Mr. Anshul sharing his experiences

JIMS VK I: CII Yi YUVA Hosts Project Tricolour Tales to Inspire

CII Yi YUVA organized Project Tricolour Tales on 24th January 2026 as celebration of Republic Day to educate children about national values and inspiring Indian personalities. Through engaging storytelling and visual aids, children learned about leaders such as Dr. A.P.J. Abdul Kalam, Mahatma Gandhi, and Dr. B.R. Ambedkar.

Volunteers educating kids about India's inspiring leaders

JIMS VK I: Pad Donation Drive

On 29th January 2026, CII Yi YUVA conducted a Pad Donation Drive in 5 villages- Chhatarpur, Mahipalpur, Masoodpur, Ber Sarai, and Sultanpur- promoting menstrual health and hygiene. The volunteers distributed essential products and engaged with women and girls to raise awareness, reduce stigma, and encourage self-care and healthy practices.

manufacturing processes of refrigerators and air conditioners. The visit provided in-depth insights into advanced production technologies, automation practices, and the rigorous quality control standards implemented in large-scale industrial operations.

Dr. Seema presenting a token of appreciation

JIMS VK I: Industry Visit to Mother Dairy

The Department of BBA organized an industry visit to the Mother Dairy Manufacturing Facility at the Patparganj plant on 29th & 30th January 2026. The students gained practical exposure to large-scale dairy operations and quality-focused production systems. The visit provided insights into Mother Dairy's diverse products, the legacy of the White Revolution, and NDDB-supported state dairy federations. Students observed advanced milk processing, rigorous quality testing, eco-friendly token milk systems, and efficient supply chain operations. The session concluded with an overview of Mother Dairy's 50th anniversary rebranding, highlighting its commitment to trust, nutrition, and consumer excellence.

JIMS Greater Noida: IBM Certification & NASSCOM Training Inaugural Ceremony

The Department of Computer Science organized a workshop and IBM Certification Program on Artificial Intelligence, along with the signing of a Memorandum of Understanding (MoU), in collaboration with NASSCOM Foundation and CETPA Infotech Pvt. Ltd. on 21st January 2026. During the workshop, students were introduced to core AI concepts, machine learning fundamentals, industry-relevant tools, and real-world applications of Artificial Intelligence. Participants benefited from hands-on learning experiences, enhanced conceptual clarity, and practical exposure to AI technologies. As a result, students successfully earned AI certifications through IBM SkillsBuild, significantly enhancing their career readiness and employability in the rapidly evolving field of Artificial Intelligence.

Students during the visit

JIMS Greater Noida: Vasant Panchami celebration, 2026

The Department of Computer Science celebrated Vasant Panchami on 23rd January, 2026. The event began with a traditional lamp-lighting ceremony, symbolizing knowledge and wisdom. Dignitaries and faculty members participated in seeking blessings from Goddess Saraswati. The event was followed by students' performances like classical dance, poetry recitation, musical performance and speech on the significance of the festival. The event helped in promoting cultural appreciation and academic inspiration among the students.

The volunteer distributing sanitary pads

JIMS VK I: Old Age Home Visit

The NSS Cell organized a visit to Aashirwad Old Age Home on 2nd January 2026. During the visit, volunteers interacted personally with the residents and distributed gift packages containing warm mufflers, roses, and refreshments to make them feel appreciated and cared for. They also engaged in heartfelt conversations, listening to the residents' life stories and extending New Year wishes, thereby helping to reduce feelings of loneliness and isolation among the elderly.

The volunteer presenting a rose to the elderly

JIMS VK I: Republic Day 2026 Celebration

From 19th to 26th January 2026, the NSS Cell participated in the Republic Day celebrations at Udyog Bhawan, organized by the Ministry of Defence. The volunteers underwent briefings, site visits, and a full-day rehearsal to prepare for roles in public guidance, crowd management, and event coordination. On 26th January, they helped ensure a smooth and orderly Republic Day Parade, gaining hands-on experience in discipline, teamwork, and public service.

JIMS VK I: ANUGOONJ PRELIMS 2026

The prelims for Anugoonj, GGSIPU's annual fest, were held at LLDIMS, New Delhi, from 21st to 23rd January 2026. In the competitions, Swara (Music Society) secured 1st place in Classical Solo and 2nd place in Light Vocal Solo, while Fitoor (Western Dance Society) won 1st place in both Footloose and Nach Baliye categories. Pratibimb (Dramatic Society) also clinched 1st place in the One Act Play category, showcasing the institute's strong presence in performing arts. Additionally, Om Thakral of BBA 4th Semester was announced Runner-Up in Hindi Poetry, reflecting the institute's active encouragement of cultural and literary pursuits.

Students being awarded for cultural performances

JIMS VK I: Students performing in WOFA 2026

At WOFA 2026, organized by ICAI held on 31st January 2026, students from Folkre (Folk Dance Society) and Panache (Grooming Society) were invited to perform and received high appreciation from delegates. Folkre presented a vibrant Bhangra performance, while Panache showcased a fashion show, highlighting creativity, confidence, and cultural excellence among students.

Participants during Vasant Panchami celebration

JIMS Greater Noida: National Youth Day

The Legal Aid Society, Department of Law, celebrated National Youth Day on 12th January 2026 to commemorate the birth anniversary of Swami Vivekananda. The programme was attended by Prof. (Dr.) Pallavi Gupta, Prof. (Dr.) Ajay Kumar Tyagi, and faculty members. The objective of the event was to inspire youth towards nation-building, social responsibility, and commitment to a drug-free society. During the event, the students took a Drug-Free India pledge, which was followed by students' participation in poetry recitation, fun activities, and cultural performances.

Students taking pledge during National Youth Day

JIMS Greater Noida: Alumni Guest Lecture

An alumni guest lecture was organized on "Trademark Infringement under the Trade Marks Act, 1999" by Department of Law on 22nd January, 2026. The session was taken by Mr. Divya Bhushan, Advocate, King Stubb & Kasiva. The students learned the role of trademark as a distinctive identity of a business and its crucial role in protecting brand value, goodwill, and consumer trust, while also emphasizing the importance of trademark registration under the Trade Marks Act, 1999. The session also focused on the legal concept of trademark infringement, the exclusive rights conferred upon registered trademark owners, and the circumstances under which infringement arises.

JIMS VKI: Guest Lecture on Financial Discipline

On 14th January 2026, the Placement Cell organized an insightful guest lecture titled "Learning Financial Discipline: From Pocket Money to Paychecks." The session was conducted by CA Prince Vashisht. Aimed at students of the Department of Management, the lecture emphasized budgeting, saving, responsible spending, and long-term financial planning. Drawing on real-world corporate experiences, the speaker provided practical guidance on effectively managing personal finances, from student life to professional earnings.

CA Vashisht addressing the students

JIMS VKI: Placement Drive with UNIQLO

The Placement Cell hosted an on-campus placement drive with Uniqlo on 15th January 2026. The drive included aptitude tests and group discussions, allowing students to showcase analytical, communication, and teamwork skills. The institute thanked Uniqlo's HR Business Partner and Talent Acquisition Lead for their guidance and engagement.

Students engaged in a group discussion

JIMS Kalkaji: FDP on Navigating Research in AI Age

A Faculty Development Programme (FDP) on "Navigating Research in the AI Age: A Faculty-Centric Perspective" was conducted from 5th- 9th January 2026. During the session, various themes like AI-enabled literature review, data analysis and interpretation, research design, publication ethics, plagiarism detection, and responsible use of generative AI in teaching and research were discussed that enabled the participants to gain practical exposure of emerging AI tools while critically evaluating their limitations and biases. Overall, the programme enhanced

The performance of Panache and Folkre at the event.

JIMS VKI: Educational Trip to Manali

The College educational trip to Manali was organized from 5th to 10th January 2026 with the participation of 300 students and faculty members, in collaboration with GATI Trips. The tour aimed to provide experiential learning, cultural exposure, and stress relief beyond the classroom environment. Students visited key cultural, religious, and natural attractions such as Solang Valley, Atal Tunnel, Mall road, and local temples, along with recreational and adventure activities. The trip also offered insights into regional industries through a visit to the R.K. Shawl Factory.

Students and teachers at the Mall Road, Manali

JIMS VKI: SPARKUP-The Startup Ideation Challenge

The Entrepreneurship Cell hosted SparkUp-The Startup Ideation Challenge, a high-octane event on January 16th 2026, where students delivered 180-second elevator pitches based on "Lean Startup" principles. Spanning diverse sectors like sustainability, healthcare, and smart cities, the competition pushed participants to transform raw creativity into viable business solutions. Under the expert evaluation of Dr. Ashneet Kaur, Dr. Anisha Tandon, and Dr. Rohit Kaushik, Arpita Shukla and Mona Kumari emerged as the top winners.

Felicitation of Mr. Divya Bhushan

JIMS Greater Noida: Foundation Day Celebration of NCW

The Department of Law celebrated 34th Foundation Day of "National Commission for Women (NCW)" on 30th January 2026. The programme was organized to mark the establishment of the National Commission for Women and to highlight its continuous efforts towards the protection, empowerment, and welfare of women in India. The event was graced by the Hon'ble Union Minister Shri Jagat Prakash Nadda who also addressed the significant role of the National Commission for Women in strengthening institutional mechanisms, ensuring access to justice for women, and promoting inclusive development. He also focused on various schemes and initiatives for Women showcasing the Commission's proactive measures in addressing issues related to women's safety, legal aid, capacity building, and socio-economic empowerment.

Participants during the event

JIMS Greater Noida: Faculty Development Workshop

A Two-Day Faculty Development Programme (FDP) on "Engaging the Gen-Z Classroom: Pedagogical Innovations and Faculty Reflections" was organized on 7th- 8th January 2026 with the objective of equipping faculty members with contemporary teaching strategies tailored for Gen Z learners. The programme was led by Ms. Tanisha, Psychologist, who offered valuable insights from a behavioral and mental health perspective. The FDP comprised a series of insightful and interactive sessions that emphasized innovative pedagogical approaches aimed at effectively engaging Gen-Z learners in higher education classrooms.

participants' research competencies, digital confidence, and preparedness to navigate the AI-driven future of academia.

JIMS Kalkaji: Voter's Day Celebration

Voters' Day was celebrated on 27th January 2026 by Prayaas, the NSS Club. As part of the celebration, students took part in various awareness-oriented activities such as- online quiz to enhance their knowledge of the Indian electoral system, administration of the Voters' Pledge in classrooms, screening of an informative video highlighting the significance of voting, and the display of posters across the campus. The event provided students with a clear understanding of their voting rights and the electoral procedures. It also instilled a strong sense of civic duty and responsibility as active and informed citizens among students

real-world decision-making, workplace dynamics, and balancing people management with business goals. The students received practical career guidance and actively participated through an interactive Q&A session. Overall, the podcast was highly engaging and successfully bridged academic learning with industry perspectives.

JIMS Kalkaji: Guest Lecture on AI marketing

A guest lecture on “Decoding AI-Driven Marketing: Pricing, Products and Promotion that Works” was organized on 19th December 2025 to provide students with practical insights into the application of artificial intelligence in modern marketing. The session was conducted by Mr. Arnab Ganguly, Director and Consultant at World Phone IT Services, and Mr. Karan Arora, Senior Data Scientist at Tredence Analytics, USA. The session aimed to bridge the gap between marketing theory and industry practice by highlighting the role of AI in pricing strategies, product decisions, customer analytics, and promotional effectiveness. The session also focused on the role of AI as a decision-support tool to enhance human judgment, illustrating its use in customer profiling, price optimization, and recommendation systems through industry. During the session, the students also learned about elasticity concepts, customer segmentation, cloud computing, and machine learning with data-driven marketing decisions. Overall, the session was highly informative and engaging, enhancing students' understanding of AI-enabled marketing practices and future industry trends.

JIMS Kalkaji: Group Discussion activity

A group discussion activity on "Work from Office: Strengthening Workplace Culture or Managerial Control" was organized on 29th January, 2026 for the final year students of BBA and B. Com (H) by Ace-the placement cell. During the session, several significant aspects such as employee productivity, collaboration, workplace culture, managerial supervision, work-life balance, and organizational control were discussed. Participants actively engaged in constructive debate, supporting their views with real-world examples. The activity fostered teamwork, confidence, and analytical reasoning amongst the students while also preparing them to articulate informed opinions on current workplace trends and managerial strategies.

The Moneytech Finance Club organized an expert lecture titled "Decoding Valuation" for second year PGDM & IB students with the objective of strengthening students' conceptual and practical understanding of valuation in the field of finance. The session was conducted by Mr. Pankajj Goel, a CFA and Certified Financial Planner, and Co-Founder of Finance Veda, who bring rich industry experience in financial analysis, investment planning, and valuation advisory. During the session, Mr. Goel elaborated on the significance of valuation as a fundamental tool for decision-making in corporate finance, investments, and strategic management. He also focused on developing a conceptual understanding of valuation by emphasizing the importance of cash flows, growth prospects, and risk assessment. Various key valuation approaches were also discussed to help students understand how to assess the intrinsic value of firms and investment opportunities and learn how businesses, brands, and even individual careers can be evaluated from a strategic and financial perspective. The lecture was highly engaging and interactive, providing students with valuable exposure to industry practices.

Felicitation of the guest speaker, Mr. Goyal

JIMS Kalkaji: Guest Lecture Sessions

A series of four guest lecture sessions on "Emerging Trends in Information Technology (ETIT)" was organized on 18th, 19th, 26th, and 29th December 2025 for the students of PGDM. The sessions were conducted by Dr. Monica Rose, Visiting Faculty and Certified IIT Delhi professional in Data and Decision Science. The lecture series covered key contemporary themes including Business Analytics and Industrial Internet of Things (IIoT), Generative Artificial Intelligence, core generative models, GANs and VAEs, along with practical aspects such as prompt engineering and AI agent creation. Through real-world examples and applications, students gained insights into data-driven decision-making, smart manufacturing, creative AI applications, and ethical considerations in AI usage. The session was aligned with industry expectations which helped students' conceptual clarity, practical awareness, and readiness for emerging digital technologies.

understanding towards history, geography, and culture of Himachal Pradesh. The trip also accelerated team spirit, leadership, and cooperation among students. The excursion successfully achieved its academic and recreational objectives, leaving students with lasting memories and valuable learning beyond textbooks.
