OUR WORLD

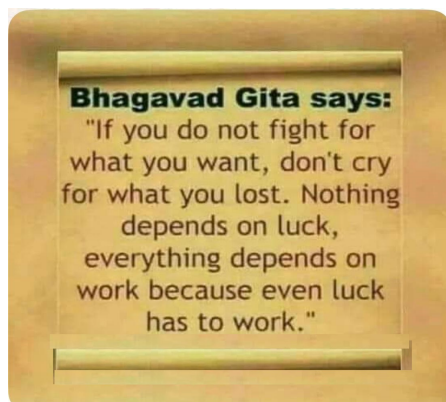

From Chairman's Desk

Dear Student,
We are in the midst of the festive season starting from Oct 2025 and another internationally famous festival, Christmas falls on 25th Dec for which I would like to take a moment to extend my warmest greetings to each one of you. Christmas is a time of joy, reflection and gratitude providing us with an opportunity to pause and appreciate at the end of year, the accomplishments we have achieved together as a college community. We have faced challenges but we have also come together, supporting one another with kindness and understanding. Christmas reminds us of the importance of compassion, generosity and goodwill towards all. As we celebrate with family and friends, let us also remember those who may need our help, whether through small acts of kindness or larger efforts to make a positive impact in our community. I encourage everyone to take this time to rest, recharge, and reflect on the year gone by. Let us look forward to the opportunities and challenges the new year will bring with hope and excitement. I wish you all a very Merry Christmas.

Dr. Amit Gupta (Chairman)

ALUMNI HEADLINES

JIMS VK I: Guest Lecture on Innovation through AI and Analytics

The Department of Information Technology organized a guest lecture on “Innovation through AI and Analytics: Unlocking New Opportunities and Insights” on 6th October 2025. The session was delivered by Dr. Shuchi Mehra, Consultant at ICAR-IARI. Dr. Mehra discussed how Artificial Intelligence and Analytics are transforming industries through data-driven innovation and the ethical use of technology. Drawing on real-world case studies from organizations such as Amazon, DHL, and GE, she highlighted the significance of adopting responsible and analytical approaches to innovation. It concluded with a lively Q&A segment, leaving participants inspired to embrace the idea that “The Future is Analytical.”

Dr. Mehra being felicitated

JIMS VK I: Idea Showcase Triumph – Creativity Unleashed!

The Department of Media and Communication Studies, in collaboration with the Institution's Innovation Council and IQAC, hosted a dynamic event titled “Idea Showcase – Think, Twist, Pitch” on 8th October 2025. The competition celebrated creativity, innovation, and collaborative thinking as the students presented groundbreaking concepts with impressive teamwork and problem-solving abilities. The showcase reflected the vibrant spirit of innovation within the field of Media and Communication Studies and provided a platform for students to shine as emerging creators and thinkers.

JIMS VK II: Club Activity on "Digital Dashboard Making"

The students of BCA 5th Semester actively participated in a Digital Dashboard making activity on 8th October, 2025. The students analysed the given data and creatively designed interactive dashboards using Microsoft Excel. The activity aimed to enhance data visualization, analytical and presentation skills, thereby promoting hands-on learning and practical application of classroom concepts.

JIMS VK: Guest Lecture on Basking Forever in Happiness

The Department of Information Technology organized a motivational session on "Basking Forever in Happiness" for BCA 1st Semester students on 6th October 2025. The session was conducted by Ms. Naini Kakkar, a renowned Motivational Speaker and Life Coach associated with Science of Spirituality, India HQ Chicago, USA. Ms. Kakkar captivated the audience with her inspiring talk on living a happy and peaceful life through positive thinking, self-awareness, and spiritual balance. The event concluded with an engaging Q&A session, leaving students motivated with the powerful message that true happiness lies within, and can be nurtured through positivity and inner growth.

Ms. Kakkar addressing the students

JIMS VK I: Diwali Celebrations 2025

On October 17, 2025, the faculty and staff celebrated Diwali with great enthusiasm and unity in the college auditorium. The occasion commenced with a festive lunch, followed by a formal program hosted by Dr. Ashneet Kaur. The event was honored by the presence of Hon'ble Chairman, Dr. Amit Gupta, who graciously distributed Diwali gifts to all faculty and staff members. The cultural segment included devotional recitations by Dr. Ashok Sharma, a soulful bhajan by Dr. Seema Wadhawan, and a melodious musical performance by Dr. Anisha Tandon, Dr. Simrat Kaur, and Mr. Sandeep. Additionally, Mr. Vineet Verma and Dr. Hakimuddin Khan captivated the audience with their engaging shayari. Dr. Meenakshi Narula, Director, conveyed her heartfelt Diwali greetings, highlighting the values of unity, gratitude, and positivity.

Students at CETPA Infotech*JIMS Kalkaji: Guest Session*

The Department of Interior Design organized an insightful guest lecture titled Green Interiors by Ar. Sonu Prakash on 29th September 2025. The session focused on sustainable design practices and eco-friendly materials that promote a healthier and environmentally responsible approach to interior spaces. The students gained valuable insights into the principles of green building design, fostering awareness about sustainability in modern interior design.

**Ms. Prakash being felicitated***JIMS VK II: Industry visit to Gurudev Enterprises Tile Showroom*

The first-year Interior Design students visited Gurudev Enterprises, a leading tile showroom, on 30th September 2025 as part of their experiential learning module. The visit offered valuable industry exposure, enabling students to gain first-hand knowledge of the tile manufacturing process and the various types of tiles commonly used in interior spaces. The students explored the diverse sizes and dimensions available in the market, as well as an extensive range of finishes, textures, and patterns. The showroom visit also helped students to understand the practical applications of tiles in both residential and commercial interiors, bridging the gap between theoretical learning and real-world design practices.

**Students at the site***JIMS VK II: Design Harvest Club Activity- Logo Making Session**JIMS Greater Noida: Mock Interview Session*

The Department of Computer Science and Engineering organized a Mock Interview Session for second-year B.Tech students on 30th October, 2025. A total of 37 students actively participated in the event. Students were evaluated on various parameters such as communication skills, technical knowledge, confidence, and problem-solving ability. Expert faculty members conducted the interviews and provided individual feedback to help students identify their strengths and areas for improvement. The activity was conducted in a structured format, where students appeared before interview panels consisting of faculty members. They were evaluated on key aspects such as subject knowledge, communication skills, problem-solving ability, body language, and overall presentation. During the mock interview, participants were evaluated on key aspects such as body language, clarity of answers, technical knowledge, and overall presentation. The session concluded with an elaborated feedback to the students highlighting the strengths and areas for improvement.

**Students participating during mock interview session***JIMS Greater Noida: Industry Visit to Appsqadz*

The Department of Computer Science and Engineering organized an industry visit to Appsqadz Pvt. Ltd for the B.Tech CSE students on 30th October, 2025. The visit was helpful in providing practical insights into the functioning of a professional software development company and helped students align their academic learning with industry expectations.

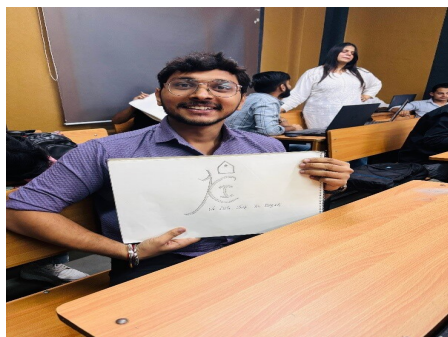

**Chairman presenting a gift to Director Dr. Narula***JIMS VK I: Alumni lecture on communication skills*

An inspiring session on “Communication: The Edge You Didn’t Know You Needed” was conducted on 8th October 2025 by Ms. Ayesha Aggarwal, JIMS alumna and Associate of the CEO Office at Refrin. She shared how effective communication isn’t just about speaking well—it’s about clarity, empathy, and confidence. From body language to active listening, Ms. Aggarwal highlighted how strong communication builds trust, leadership, and success.

**Ms. Aggarwal being felicitated***JIMS VK I: Guest Lecture on Emerging Trends in Supply Chain Management*

On 27 October 2025, the Placement Cell organized a guest lecture by Mr. Mohit Gauba, Supply Chain Management Director of M/S Connect Pvt. Ltd. He delivered an engaging session on “Latest Trends and Practices in Supply Chain Management” and shared valuable perspectives on how digitalization, GST reforms, and data analytics are transforming modern supply chains—enhancing their efficiency, speed, and resilience.

Interior Design first-year students participated in the Logo making activity organized by the Design Harvest Club on 7th Oct 2025. The students explored the essence of self-expression by designing unique logos using their own initials and adding creative taglines that reflect their design identity. Each logo was a perfect blend of imagination, design thinking, and individuality.

JIMS Kalkaji: Industry Visit to SEBI

On 3rd October, 2025, the Department of Management organized an educational industry visit to the Securities and Exchange Board of India (SEBI) for the students of BBA and B.Com (H.). The highlight of the visit was an interactive session conducted by SEBI officials, where students were given an insightful overview of SEBI's role, structure, and functioning. The students actively participated in the Q&A session, gaining clarity on various regulatory aspects and career opportunities in the financial sector. Overall, the visit proved to be a valuable learning experience, bridging the gap between academic concepts and real-world financial regulatory practices.

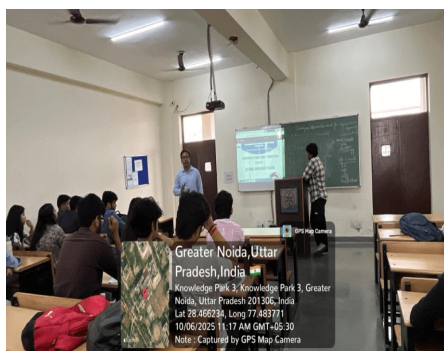

Students attending the session at SEBI.

JIMS Kalkaji: Health and Hygiene Awareness Drive

On 8th October 2025, Prayaas – the NSS Club, in collaboration with CII and India-AIDS NGO, organized a Health and Hygiene Awareness Drive & Sanitary Pad Distribution Initiative at Kakrola, Dwarka. The awareness program began with an interactive discussion on the importance of maintaining good hygiene practices in daily life, followed by an informative session on menstrual hygiene management-addressing myths, taboos, and practical steps for better care during menstruation.

The Department of Management Studies organized an External Mentoring Session on “From Idea to Business Model: Building a Complete Business Model” on 6th October 2025. The session was conducted by Mr. Manish Mathur, Head-Incubation, Bennett Hatchery, Bennett University, who shared his expert insights on transforming innovative ideas into structured business models using the Business model canvas framework. The resource person emphasized the importance of systematically mapping key business components like value proposition, customer segments, revenue streams, and resources. The session was highly interactive, allowing students to engage deeply allowing them to gain a clear insight into how entrepreneurial concepts work in practice. The session empowered them to approach business planning with greater confidence and strategy. Further, the speaker's expertise added valuable insights that bridged theoretical concepts with practical application.

Students during External Mentoring Session

JIMS Greater Noida: FICCI Higher Education Summit 2025

The students of BBA attended the 20th FICCI Higher Education Summit 2025 at Bharat Mandapam on 6th October, 2025. The summit was designed to bring together higher-education institutions, industry, policymakers, global academicians for collaboration, knowledge-sharing, exploration of the evolving ecosystem of higher education. During the summit, various conference sessions, workshops, roundtables and exhibition segments made up the agenda. At the event, a special speech about India's potential in skill development and education was delivered by Mr. Nitin Gadkari, Hon'ble Minister of Road Transport & Highways, Govt. of India. The event also witnessed a large exhibition component showcasing higher-education institutions, technology providers, service-providers, international collaboration offices. Attending the 20th FICCI Higher Education Summit 2025 was a valuable experience offering strategic insights, networking opportunities, and actionable ideas aligned with our institutional goals.

JIMS VKI: NSS Cell leads Unity Pledge to reinforce national integrity

The NSS Cell, conducted the Unity Pledge Ceremony on 31st October 2025 to strengthen the spirit of national unity and integrity among students. The ceremony began with the Unity Pledge, highlighting values of integrity, harmony, and solidarity. The students and volunteers collectively affirmed their commitment to uphold unity beyond differences of religion, language, and region. The event inspired a strong sense of patriotism and shared responsibility, reminding all that the true strength of the nation lies in unity and brotherhood.

JIMS VKI: NSS Cell participates in Unity Run promoting national harmony

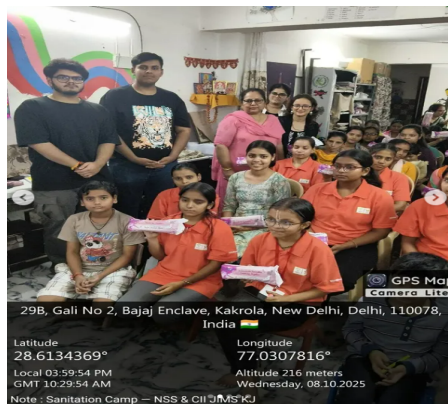

The NSS Cell took part in the Unity Run, a 5 km event held from Patel Chowk to the War Memorial to promote national unity and harmony. A team of 15-20 NSS volunteers represented the Institute, joining thousands of participants in a vibrant atmosphere of energy and patriotism. The run fostered teamwork, discipline, and national pride, making it a memorable and inspiring experience for all involved.

Volunteers participating in the Unity Run

JIMS VKI: National IT Seminar on Innovation & Sustainable Technology

The Institution's Innovation Council (IIC), along with ENIGMA – The IT Club, organized a National IT Seminar on “Innovation and Technology for a Smarter, Sustainable Future” on 11th November 2025 at the Deshmukh Auditorium, India International Centre, New Delhi. The seminar brought together industry experts to interact with BCA students and

NSS volunteers with the participants.

JIMS Kalkaji: Project Umeed

On 17th October 2025, CII Yi Yuva, in collaboration with Prayaas, the NSS Club, organized a meaningful event titled Project Umeed, aimed at supporting women-led enterprises and differently-abled entrepreneurs. This Diwali-themed drive was designed to empower local entrepreneurs by providing them with a platform to showcase their products and businesses, helping them reach a wider audience and gain recognition. The project was driven by a mission to uplift the entrepreneurial spirit of marginalized groups, especially women and differently-abled individuals, who often face barriers to accessing business resources and opportunities.

JIMS Kalkaji: Convocation Ceremony BBA/B.Com(H.) Batch 2024

On 31st October 2025, a convocation ceremony was organized to mark the graduation of its BBA & B.Com (Hons.) students of 2024 batch in a grand ceremony. The event was honored by Prof. Shyama Rath, Member Secretary of AICTE, and Shri Shashi Bhushan Kumar Singh, IPS, Director General of Prisons, Delhi, who shared powerful insights on leadership, ethics, and responsibility, inspiring the graduates to make their mark in the world.

Panelists during 20th FICCI Higher Education Summit 2025

JIMS Greater Noida: Industry Visit

The BBA Department organized an Industry visit for 1st & 5th Semester students on 29th & 31st October 2025 to Haier India Limited, a leading home appliances and consumer electronics company. A total of 77 students visited Haier to gain practical insights into logistics operations, supply chain management, and cargo delivery. The session was highly interactive and provided students with practical insights into the working of the company. During the visit, the students were explained about the company's production process- from raw material procurement to final assembly and packaging. Further, the students were also taken through different departments such as production, assembly line, quality testing, logistics, and warehouse management. The officials also discussed "Zero Distance to the Customer" philosophy, emphasizing how Haier maintains close interaction with consumers to design innovative and efficient products. Students also learned about the company's marketing strategies, brand positioning in the Indian market, and its efforts to expand in both urban and rural segments.

Students during industry visit to Haier India Limited

JIMS Kalkaji: Industry Visit to Coca-Cola Plant

An industry visit to Moon Beverages Ltd. (Coca-Cola Plant) was organized on 13th November 2025 for the PGDM 2025–2027 batch. Students attended an informative session by Ms. Richa Gupta, Executive – Marketing, who shared insightful details about the company's operations. They also visited the production unit, where the team explained key processes such as pasteurisation, carbon

discuss emerging technologies, digital transformation, 5G, AI applications, and sustainable IT systems. Distinguished speakers included Mr. Jeevan Talegaonkar (Jio Platforms Ltd.), Mr. Ajay Mishra, Ms. Koel Chakrabarty, Ms. Parul Mehndiratta, Ms. Pooja Attri, and Mr. Samaksh Gupta, who shared insights on innovation-driven growth, smart digital networks, and technology-led sustainability, highlighting the role of modern IT education in shaping the future workforce.

JIMS VKI: Industry Visit to National Science Centre

On 25th November 2025 the Department of Information Technology organized an industry visit to the National Science Centre, New Delhi. During the visit, students explored various galleries showcasing innovations in physics, biology, technology, and environmental science. Hands-on models, practical exhibits, and live demonstrations helped them relate classroom learning to real-world scientific applications. The exposure to emerging technologies and scientific advancements sparked curiosity and encouraged students to think creatively and analytically.

Students with faculty at National Science Centre

JIMS VKI: Industry visit to AppSquadz

The Department of Information Technology organized an industry visit to AppSquadz Pvt. Ltd., Noida, on 6th & 12th November 2025, for BCA students. The visit of the company's workspace allowed students to observe real-time software development, testing, client communication, and project management activities. By combining detailed discussions with practical exposure, the visit helped bridge the gap between academic learning and the real IT work environment, motivating students to

Graduating student being awarded the degree by guests of honor.

JIMS VK II: Annual Marketing Fest- Biz Fiesta'2025

The Business Talks Club of the BBA Department organized the first edition of Biz-Fiesta'25, the Annual Marketing Fest, on November 19, 2025. The event began with a warm welcome address by Dr. Gurmeet Sodhi (HOD, BBA) and was formally inaugurated through a ribbon-cutting ceremony by Director Dr. Satish Kumar Dogra, followed by the lighting of the lamp along with the alumni guests. A graceful Ganesh Vandana performed by second-year students added a cultural touch to the occasion. The fest witnessed enthusiastic participation from five JIMS campuses- Vasant Kunj-I, Kalkaji, Noida Extension, Greater Noida, and the host campus Vasant Kunj-II- across six activities: mind matrix, one-minute influencer, make a meme, reboot, trash to cash, and impression, all conceptualized by the faculty members of the department. The student-run stalls featuring food, games, and fashion accessories added vibrancy to the event. The fest concluded with the distribution of cash prizes to the winners.

JIMS VK I: Inspiring Session on Entrepreneurship and Digital Skills

On 3rd November, CII YI YUVA hosted Visionaries Unplugged, featuring Mr. Shivam Ahuja, Founder & CEO of SkillCircle. He shared insights on entrepreneurship, innovation, and self-driven growth, highlighting the importance of personal branding, mastering digital skills, and embracing uncertainty. Through stories of resilience and reinvention, Mr. Ahuja inspired students to cultivate curiosity, confidence, and a lifelong learning mindset.

The HM Department conducted an expert-driven mock interview workshop to sharpen students' soft skills on 28th November, 2025. The industry professional Ms. Sunita Amola, HR & Training Manager, Jaypee Hotels & Resorts, New Delhi, guided the students with personalized feedback and practical insights. An enriching experience that boosts readiness for upcoming placements.

JIMS Kalkaji: Staff Development Programme

A staff development program was organized on 29th November, 2025. The program was conducted by CS Himanshi Tyagi, Certified Soft Skills Trainee who delivered an insightful session on how presence, etiquette, and body language shape effective professional interactions. The session was highly interactive, featuring short role-plays and group-based activities that allowed participants to actively engage with the concepts being taught. Through these exercises, staff members practiced appropriate greeting techniques, learned to correct their posture, and explored various effective communication styles, making the learning experience both practical and relatable. These hands-on activities not only boosted participant involvement but also reinforced the application of skills in real-life professional situations. The Youth Parliament concluded with the felicitation of guests and certificate distribution to the participants.

JIMS VKI : CII YI YUVA Unplugged Season 2, Episode 4

On 25th November, YI YUVA hosted an insightful podcast episode featuring Dr. Sonam Mahajan, HOD, Department of Journalism and Mass Communication. The discussion highlighted the evolution of Gen Z learning patterns and the need for flexible, experiential, and tech-enabled education systems. The session reinforced YI YUVA's commitment to fostering conversations that shape modern education and youth leadership.

Dr. Mahajan sharing her experiences

JIMS VKI : Guest Lecture on Entrepreneurship Innovation

The Institution's Innovation Council (IIC) in collaboration with the Alumni Committee and IQAC organized a Lecture on Entrepreneurship Innovation as a Career Opportunity on November 13th 2025. The resource person for the session was Ms Saumya Jain, Founder, Saumya Organics, an innovative venture in the organic and sustainable products sector. Ms. Jain shared her entrepreneurial journey, highlighting how she identified market gaps and transformed them into successful business opportunities. She discussed the importance of innovation in creating value and addressing consumer needs in contemporary markets.

Volunteers honored for the Organizing Committee contributions

JIMS VKI : CII YI YUVA Launches Pad Donation Drive

CII YI YUVA conducted a Pad Donation Drive across all UBA villages, distributing 70 sanitary pads in each community on 17th November 2025. The volunteers engaged in talks with women to encourage open conversation on hygiene and menstrual health, aiming to reduce stigma and promote well-being.

Panel discussion on Mental Health

JIMS VKI : CII YI YUVA initiative

YI YUVA conducted a child-centric safety workshop under the Stranger Danger Initiative on 11th November 2025. The session focused on helping children identify unsafe situations, understand personal boundaries, and differentiate between good and bad touch. A creative activity allowed children to trace their handprints and list trusted adults, reinforcing safety through playful learning. The interactive Q&A session encouraged children to share concerns openly, fostering confidence and awareness.

Volunteers spreading awareness among children

JIMS VKI : CII YI YUVA-Project Little Warriors

On 14th November, YI YUVA executed Project Little Warriors- a heartwarming initiative designed to nurture confidence, creativity, and emotional expression in young children. Through storytelling, art activities, and playful learning, children experienced a day filled with joy, encouragement, and connection. The event cultivated a safe and nurturing environment where children felt free to express themselves and engage meaningfully with volunteers.

Volunteers guiding children

JIMS VKI : CII YI YUVA- Stationery Donation Drive

On 14th November 2025, CII YI YUVA celebrated Children's Day by conducting a Stationery Donation Drive across five UBA villages. The volunteers distributed essential
